

Press Release

SEIL Energy Lays Foundation for World Class Inclusive Sports Academy for Divyangjan at CRC, Nellore

- The Company contributes INR 4.5 Cr CSR Funds to build the facility

Nellore, 19 May 2026: SEIL Energy India Limited, one of the largest independent power producers (IPP) in India, today organized the Bhoomi Pooja for the Inclusive Sports Academy (ISA) at the Composite Regional Centre (CRC) in Nellore. Mr. Tareq Mohamed Sultan Al Mugheiry, Chairman – SEIL Energy India Limited, and Mr. Cyrus Erach Cooper, Director – SEIL Energy India Limited, laid the foundation stone in the presence of Mr. Janmejaya Mahapatra, CEO – SEIL Energy India Limited, Dr. (Major) B.V. Ram Kumar, Director – NIEPID, and Mr. S.P. Manoj Kumar, Director – CRC.

As part of its CSR initiatives, SEIL Energy India Limited is contributing INR 4.5 crore towards the construction of the comprehensive Inclusive Sports Academy for Divyangjan. CRC is a branch of NIEPID, under the Ministry of Social Justice and Empowerment, Government of India, and plays an important role in skill development, rehabilitation, and empowerment of persons with disabilities.

Speaking on the occasion, **Mr. Janmejaya Mahapatra, CEO – SEIL Energy India Limited**, said, *“Every individual deserves access to opportunities that enable them to grow, compete, and realize their full potential. At SEIL Energy, we believe that true progress is possible only when development is inclusive. Through the Inclusive Sports Academy, we hope to create a dedicated platform for Divyangjan to build confidence, pursue excellence in sports, and participate with dignity at district, state, and national levels. This initiative reflects our continued commitment to meaningful nation-building and community empowerment”*.

The Inclusive Sports Academy is envisaged as an enclosed all-weather indoor sports stadium designed to host multiple sporting disciplines for persons with physical and intellectual disabilities at the district, state, and national levels. The approximately 15,000 sq. ft. inner stadium space will be able to accommodate sports such as badminton, table tennis, team handball, powerlifting, basketball, volleyball, floor hockey, floorball, wheelchair basketball, sitting volleyball, bocce, and others. The stadium will also include seating capacity for around 300 people, separate changing rooms and toilets for boys, girls, and officials, along with power backup facilities.

About SEIL:

SEIL Energy India Limited – SEIL Energy– is a leading Independent Power Producer (IPP) committed to contributing towards India’s energy security. The company has a successful track record of developing and operating thermal power generation assets in the country. It has a 2,640 MW supercritical thermal power generation complex located in SPSR Nellore District, Andhra Pradesh, India.

Led by its strong leadership team, SEIL is a committed and long-term partner in the region’s progress. It provides reliable and sustainable power to consumers across the sub-continent. SEIL partners with the government and industry towards supporting India’s energy security and developmental goals. With 4X660MW operational units, SEIL is well-positioned to offer best-in-class energy solutions to meet the region’s energy needs.
